#### Audiophile "Plug & Play" turntable with easiest possible vertical set-up including wall-mount option!

A turntable set-up does not need to be complicated like rocket-science, our *VT-E* turntable proves that. This good sounding belt-driven deck offers 2 versions for left- and right-handed users. The *VT-E* turntable can be positioned on a table or mounted on a wall. The fastest installation process is made possible, because it comes pre-adjusted out of the box. **No further set-up is needed**. Tracking force and anti-skating are carefully set. The turntable is available in black matt, red matt or white matt colour.

**PRO-JECT AUDIO SYSTEMS** a division of AUDIO TUNING GmbH 1050 Wien, Margaretenstraße 98,
