

Classic 98

Retro. Vintage. Timeless.

Introducing Classic 98 – a symphony of mid-century charm and state-of-the-art technology. Drawing from the golden age of stereo, this masterpiece is more than just a nod to iconic REL designs; it's a reimagining, blending the past's aesthetics with today's technological prowess and performance.

REL
ACOUSTICS LTD

Every detail of Classic 98 speaks of meticulous craftsmanship. The rich walnut veneer not only exudes warmth and authenticity but also tells a story of timeless elegance. Its radiused curve, enhanced by a delicate reveal line, is a testament to modern craftsmanship paying tribute to vintage design.

But Classic 98 is not just about looks. At its heart, a potent 300W Class D amp powers a 10” down-firing driver, crafted with REL's traditional paper cone technique. This ensures a sound that's powerful, pure, and deeply resonant.

With High-Level connectivity and REL’s renowned filter technology, Classic 98 is a beacon of innovation. It promises not just superior sound but an unparalleled user experience.

Classic 98 represents REL’s dedication to blending tradition with innovation. With its advanced features and timeless design, it delivers an audio experience that stands out in both quality and aesthetics.

All RELs - Fully Electronic SET-SAFE, output short, DC Fault

Specifications

Type

Closed box, down-firing driver

Active Driver Size & Material

10 in (250mm), amended pulp-on-paper, downfiring inverted cone, steel chassis

Low Frequency Extension

-6dB at 27Hz

Input Connectors

Hi Level Neutrik Speakon,
Low Level RCA, LFE RCA

Power Output

300 watts (RMS)

Amplifier Type

Class D

Wireless Capability

REL HT-Air MKII or
Airship II (*sold separately*)

WxHxD, Including Feet
& Rear Panel Controls

13.75 x 18.5 x 11.75 in
(350 x 470 x 298.5 mm)
Add 1.75 in. in depth when
using a High Level Connector

Finish

Walnut Veneer
